REMARKS [REDACTED]

RETURN TO CIA LIBRARY

[REDACTED] 25X1

The Bug on Ruegen (N 55/P 57) airfield was not occupied. No Soviet motor vehicles or construction work were observed. Local residents said that they knew nothing about the occupation and reconstruction of the airfield. It was rumored that a Soviet admiral was expected to arrive for an inspection of the field.

25X1

[REDACTED] Comment :

The condition and non-occupation of the airfield have not changed when compared with a report of January 1950 [REDACTED]
